

CENTRAL INTELLIGENCE AGENCY
WHITE HOUSE SUPPORT STAFF

Date: August 16, 1974
Item No.: WH #1

DIRECTOR: WHITE HOUSE SITUATION ROOM

25X1

SUBJECT: Cambodia--The Military Situation

Khmer Communist gunners fired 31 rockets at Phnom Penh yesterday in an apparent attempt to disrupt Armed Forces Day ceremonies. Most of the rockets fell short of the city causing little damage. In the countryside, government forces continue to hold up well in the face of small-scale insurgent attacks on widely separated fronts.
